

**Join us at Grantmaking LIVE!**

Back for the first time in three years, PSGA's acclaimed Grantmaking LIVE! event is coming up on November 10th! Join us for a unique opportunity to see into the world of how grants are awarded, with a panel of real funders awarding a real grant following a live discussion. This will be PSGA's first-ever hybrid event, taking place in-person (with refreshments and networking opportunities) at the Panoramic Center in Seattle and online via Zoom.

**Why do we do this?**

The purpose of the PSGA Grantmaking Live competition is **twofold**. It provides an opportunity for organizations to **compete for a single \$4,000 award**. It also provides the opportunity for grantwriters to **learn how funders review applications and make their decisions** in a live and interactive process. PSGA is committed to centering a focus on racial and social justice in this process, both as a criteria for funding, and in providing pre-application assistance to newer grantwriters and small organizations to increase their access to this opportunity.

**An opportunity to earn \$4,000 for your nonprofit organization**

PSGA invites grantwriters at local nonprofits to submit an original, short grant proposal for up to \$4,000 in funding for a program or project of a 501(c)(3) nonprofit organization. Through a **random lottery**, six finalists will be chosen to be **publicly discussed** on November 10, 2022, by a Grantmaking LIVE! panel of experienced funders. The panel will award – on the spot – a total of \$4,000 in PSGA funds to the selected organization(s).

**Plus, pre-application assistance will be available to a limited number of applicants**

In order to ensure that everyone is able to submit the best proposal that they can, we will offer pre-application assistance from experienced grantwriters to a limited number of applicants upon request. Assistance will be prioritized for beginning grantwriters, particularly those representing small organizations. The number of applicants receiving this assistance will be dependent on volunteer resources. To receive this assistance, please complete the [request form](#) available on the PSGA website by October 7th.

**Audience Choice Award: no cash, but still valuable**

Event registrants will be able to view the six selected proposals in advance and vote (honestly!) for their choice before the Grantmaking LIVE! panel does. The winner of the "Audience Choice Award" will be announced at Grantmaking LIVE! and receive a free year's membership in PSGA.

**Criteria used by our panelists**

The Grantmaking LIVE! panel is asked to look at whether \$4,000 will make a significant impact on the proposed project/program, regardless of the organization's size. The panel also will consider whether the proposal states clear objectives, proposes a program that is shaped by use of an equity lens, describing in context how your project or program addresses or intersects with equity, diversity and/or social justice initiatives. The proposal should also provide a clear, accurate budget, and include an evaluation method. PSGA leaves the rest to the panelists. Warning: The public discussion may be brutally honest. Do your best. Good luck!
