Our philanthropic purpose: To invest the expertise, leadership and financial strength of Liberty Mutual Insurance and our employees to help our neighbors experiencing great vulnerability

Goals: To advance security and resilience for people and communities

Grants process, Seattle / Puget Sound:

- Discretionary grant proposals accepted year-round (Jan – Sept)
- 2-year RFPs released in spring; alternating between Education (released in 2023); and Basic Needs (releases in 2024)
- Proposals must be submitted online, using [CyberGrants](#) (links to current discretionary proposal)
- Only one active grant is awarded at a time (i.e., no new proposals considered while org is in the middle of a grant cycle)
- Impact Reports are requested at the start of, and at the conclusion of, the grant cycle
